

SPECIAL LENT OFFERING

The 30 pieces of silver offering is symbolic of the amount Judas received to betray Jesus. This is an opportunity for you to turn something negative into something positive.

We are asking you to take a coin pouch and fill it with your "30 pieces of Silver" during the Lenten season.

On Palm Sunday (April 10), please return the filled pouch. This offering is used for mission projects in our community such as emergency financial help, food at Thanksgiving, and purchasing gifts for the Triton Giving Tree at Christmas.

Thank you,
The Outreach Committee
